

# CONSENT MATTERS:

Boundaries, Respect and Positive Intervention

**A 60-minute interactive online course for students**

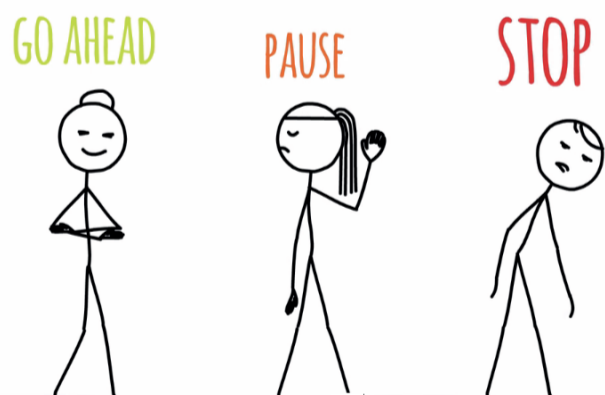

**Talking about sex can be difficult**

How can you tell if someone is really into it if you don't ask?

How do you know when to go ahead, when to pause and when to stop?

How can you step-in to uncomfortable situations with confidence?

**We all know no means no**, but there's more to consent than a simple yes or no.

*Consent Matters* provides a **safe space for all students to learn about consent** – find out how you could make a positive impact in the university community.
